Missouri Tourism Hall of Fame

The Hall of Fame Award recognizes individuals whose long-term (minimum of 10 years) contributions have significantly and measurably impacted the tourism industry in Missouri.

Sen. Emory Melton Legislative Award

This award honors those legislators and tourism industry members who work closely with the legislative process in support of the tourism industry. These individuals recognize the value of tourism to the state and work to ensure the industry continues to flourish.

Marketing Campaign Award

Campaigns that led to increased visitation, expenditures and sales tax revenue through one or more channels such as electronic, broadcast, social media, print, direct mail and public relations are eligible for nomination.

Pathfinder Award

This award recognizes marketers aiming for niche markets and hitting the target. These trailblazers are showing the rest of the industry where to find new markets and how best to reach them.

Innovator Award

The Innovator Award pays tribute to those smaller tourism entities that achieved great results with small budgets. These can-do destinations and attractions increased visitation, traveler spending or tax revenues.

Navigator Media Award

These media outlets turn the spotlight on Missouri tourism and the importance it plays in our state's economy. The Navigator Media Award recognizes broadcast, print and electronic media that have supported and promoted tourism with stories and images that both inform and entice.

Rising Star Award

The Rising Star Award is presented to an individual who has made great advancements to an organization's tourism efforts despite the length of their tenure (less than 5 years or having recently transitioned to a new role).
